VISION MONTH 2026

PAPER PLEDGE FORM

We invite everyone who calls Toongabbie Anglican home to pledge their financial support to help resource our vision for 2027. A pledge is a confidential indication of how much you prayerfully, sacrificially and joyfully intend to give towards ministry here. It helps Parish Council plan wisely, but is not a payment and does not automatically set up your giving.

The best way to submit your pledge is online at tac.church/vision, but you're welcome to use this form if you prefer paper. When arranging your giving, we recommend BPAY or direct deposit to avoid transaction fees.

Once you've completed this page, you can place it in the collection box at the back of the church. If you're giving cash, please use a labelled envelope and pop it in the box as well. Thank you so much for your generosity and support.

VISION MONTH PROJECTS

Vision Month Projects are practical ways for us as a church to express our thanks to God for his goodness to us. These one off gifts, over and above our regular giving, support vital ministries and bless people in our local community and further afield.

You will find information about each project in the Vision Month Booklets. **The best way to give is online** via tac.church/vision, but if you'd prefer use paper, you can do so here.

Each project has a target, and we'd love to know how we're tracking & celebrate the generosity. Please indicate in the box below how much you will be giving to one or more projects. When completed, you can place this form in the collection box at the back of church.
